

CAMBRIDGE INVESTMENT RESEARCH, INC INSURED BANK DEPOSIT PROGRAM

DISCLOSURE DOCUMENT

Please read the complete Disclosure Document describing the Insured Bank Deposit Program. You may consult your investment professional for more information.

I. INTRODUCTION

Cambridge Investment Research, Inc. ("Cambridge", "we", "our", or "us") offers certain investments to you in your brokerage account ("Brokerage Account") held by Fidelity Clearing & Custody Solutions® (FCCS) and its broker-dealer National Financial Services LCC (NFS), our clearing firm. The terms "account owner," "you," and "your" refer to the account owner(s) indicated on the account application to your applicable Cambridge Customer Agreement for your Brokerage Accounts. For joint accounts, these terms refer to all owners, collectively and individually. For trust accounts, these terms refer both to the entity and to all account owners.

Your Brokerage Account has a sweep feature, or core account investment vehicle, that is used to automatically invest free credit balances awaiting investment and for settling securities transactions. We may provide you with access to different cash sweep vehicles, including money market funds (each a "core account investment vehicle"), that may be used to automatically invest the cash balance in your Brokerage Account that is awaiting reinvestment. The Insured Bank Deposit Program (the "Program" or the "IBDP") is one of the core account investment vehicles we currently make available to you for available cash balances (from deposits to your account, securities transactions, dividend and interest payments and other activities) in your eligible Brokerage Account.

Available cash in your eligible Brokerage Account will be deposited through the Program into interest-bearing FDIC-Insurance eligible Program deposit accounts ("Deposit Accounts") at one or more FDIC-insured depository institutions set forth in the list of depository institutions participating in the Program (each, a "Program Bank" or a "Bank"). The list of Banks participating in the Program (the "Program Bank List") is available from your investment professional or at <https://www.joincambridge.com/information-for-investors/investor-resources/cambridge-disclosures/>. Once your cash balance has been swept to a Program Bank, it is referred to as your "Program Deposit." Please note that your ability to access the money held at the Bank(s) is limited, as more fully described herein.

As more fully described in this Disclosure Document, the assets in your Brokerage Account with us are generally protected, up to applicable limits, by the Securities Investor Protection Corporation ("SIPC"). At the time funds are deposited with one or more Banks through the Program, your deposits in the Program are eligible, subject to the limitations described in this Disclosure Document, to be insured, up to applicable limits, by the Federal Deposit Insurance Corporation (the "FDIC") and are no longer eligible for SIPC protection. **Funds in the Deposit Accounts at each Bank are generally eligible for deposit insurance by the FDIC up to a total of \$250,000 principal and accrued interest per depositor in most insurable capacities (e.g., individual, joint, etc.) when aggregated with all other deposits held in the same insurable capacity at a Bank.** For example, funds in the Deposit Accounts at a Bank held by an individual are insured up to \$250,000, and funds in the Deposit Accounts at a Bank held in joint accounts up to \$500,000. For IRAs and section 457 plans, funds in the Deposit Accounts at each Bank are eligible for deposit insurance up to \$250,000 principal and accrued interest per depositor in the aggregate.

The maximum amount of FDIC Insurance coverage for your deposits in the Program is \$1.5 million (for an individual account) or \$3 million (for a joint account) (the "Maximum Applicable FDIC Deposit Insurance Amount"), subject to the total amount on deposit in an account, applicable FDIC rules, and Bank availability. Funds deposited in Deposit Accounts are not eligible for coverage by the SIPC.

Any deposits (including certificates of deposit) that you maintain in the same insurable capacity directly with a Bank, or through an intermediary (such as us or another broker), will be aggregated with deposits in your Deposit Accounts at such Bank for purposes of the Maximum Deposit Amount (defined below). You are responsible for monitoring the total amount of deposits that you have with each Bank, including an Excess Deposit Bank (described below), in order to determine the extent of FDIC deposit insurance coverage available to you. You should review carefully the section of the Disclosure Document titled “FDIC/SIPC Coverage.”

By selecting the Program as the investment vehicle to be used as the sweep feature in your Brokerage Account, you agree to appoint FCCS/NFS as your authorized agent to establish and maintain bank deposit accounts at various Program Banks and to effect deposits to and withdrawals from such Program Banks pursuant to the terms and conditions set forth herein. FCCS/NFS, as your agent, will place, regardless of the maximum applicable FDIC insurance coverage available, in any one Program Bank up to \$246,500 of your cash balances for an individual account, an agency account and a trust account including a transfer upon or payable on death account, up to \$493,000 in any one Program Bank for a joint account (regardless of the number of owners), and up to \$246,500 in any one Program Bank for an individual retirement account (each such limit referred to hereinafter as the “Maximum Deposit Amount”). If your cash balances and existing Program Deposits at any one Program Bank exceed the Maximum Deposit Amount, funds greater than the Maximum Deposit Amount for each Program Bank will be swept into Deposit Accounts to an alternate Program Bank on the Program Bank List (subject to removal and replacement as further described below).

Once funds equal to the Maximum Applicable FDIC Deposit Insurance Amount have been deposited for you through the Bank Deposit Sweep Program, any additional funds will be invested in an “Excess Deposit Bank” that will accept funds without limitation and without regard to the Maximum Applicable FDIC Deposit Insurance Amount. **Funds invested in the Excess Deposit Bank that exceed the Maximum Applicable FDIC Deposit Insurance Amount will not be covered by FDIC deposit insurance.** In the rare instances where we are unable to place your funds at any Bank within the Program, we will update the sweep feature in your account to another core account investment vehicle. Each Deposit Account constitutes a direct obligation of the Bank to you and is not directly or indirectly an obligation of us or FCCS/NFS. Neither we nor FCCS/NFS guarantee in any way the financial condition of the Program Banks or the accuracy of any publicly available financial information concerning such Banks.

You can obtain publicly available financial information concerning each Bank at www.ffiec.gov/nic or by contacting the FDIC Public Information Center by mail at L. William Seidman Center, Virginia Square, 3501 North Fairfax Drive, Arlington, Virginia 22226 or by phone at 703-562-2200.

The establishment of a Deposit Account will not create a direct account relationship between you and the Program Banks. FCCS/NFS, as your agent and custodian, will establish the Deposit Accounts for you at each Bank and make deposits to and withdrawals from the Deposit Accounts. To the extent permitted under applicable law and as otherwise discussed below, we will receive a fee from each Bank for our services under the Program. The amount of the fee paid to us will affect the interest rate paid on the Deposit Accounts. You should review carefully the section of the Disclosure Document titled “Information About Your Relationship with Cambridge and the Banks.”

As discussed herein, interest rates on the Deposit Accounts will be tiered and will vary based upon prevailing economic and business conditions. The Banks do not have a duty to offer the highest rates available or rates that are comparable to money market mutual funds (“Money Funds”). By comparison, Money Funds generally seek to achieve the highest rate of return consistent with their investment objectives, which can be found in their prospectuses.

The information in this Disclosure Document applies, unless otherwise indicated, to each eligible Brokerage Account for which you are an owner, whether as an individual, joint tenant, trustee, executor, custodian or in any other capacity. Your eligible Brokerage Account that utilizes the Program as the core account investment vehicle will be subject to the information discussed in this Disclosure Document.

Please refer to the “Program Eligibility” section of this Disclosure Document or your investment professional for information concerning eligibility for the Deposit Accounts. Neither Cambridge, its professionals, its affiliates, nor its advisors provide investment advice or recommendations regarding your use of the Program, its operation, or the Program Banks.

A. CORE ACCOUNT INVESTMENT VEHICLE PROGRAM INTEREST

The interest rate for your Deposit Account and current interest rates for Program Deposits may be obtained from Cambridge, your investment professional, or at <https://www.joincambridge.com/information-for-investors/investor-resources/cambridge-disclosures/>.

The interest rate earned by your Deposit Account will vary. You should review carefully the section of this Disclosure Document entitled "Interest."

The interest rate applied to your Deposit Account will be based on your assignment to a tier, as determined by Cambridge, based upon the value of your Program Deposits.

We are not obligated to offer you any bank sweep core account investment vehicle options or to make available to you Program investments offering a rate of return that is equal to or greater than other comparable investments.

B. YOU MAY SELECT CERTAIN MONEY FUNDS AS YOUR CASH SWEEP OPTION

We also offer certain money funds as cash sweep options. For more complete information about any money fund cash sweep options, including all charges and expenses, please contact your investment professional for a free prospectus. Read the prospectus carefully before you invest or send money.

Investments in Money Funds are not guaranteed or insured by the FDIC or any other government agency. Although Money Funds seek to preserve a net asset value of \$1.00 per share, there is no guarantee that this will occur; it is possible to lose money by investing in a Money Fund, including loss of principal. Please contact your investment professional for further details and additional information, including a prospectus, for any available Money Fund. Please read the prospectus carefully before investing. Investments in Money Funds are not FDIC insured but may be covered by SIPC. Please see the section of the Disclosure Document titled "FDIC/SIPC Coverage."

C. TIMING OF SWEEP

The cash balance in your Brokerage Account will be automatically swept from your Brokerage Account into your Deposit Account on the business day following the day your Brokerage Account reflects a cash balance. For purposes of this Program, business day generally means a day on which the Program Banks are open for business. Available cash balances will not begin to earn interest or be eligible for FDIC insurance until swept into the Deposit Account at a Program Bank.

D. ACCESS TO FUNDS IN THE DEPOSIT ACCOUNTS

As required by federal banking regulations, each Program Bank has reserved the right to require seven (7) calendar days prior notice before permitting a withdrawal of any Program Deposits. So long as this right is not exercised, your ability to access funds, including the ability to write checks against your account, should not be impacted. Your interest in a Deposit Account is not transferable. Notwithstanding the foregoing, you will remain obligated for all obligations arising from your Brokerage Account, including, but not limited to, margin balances, settlement of transactions, checks, wires, and debit card purchases.

E. TAX AND LEGAL INFORMATION

For most clients, with non-retirement account types, interest earned from the Deposit Accounts will be taxed as ordinary income in the year it is received. In those cases, a Form 1099 will be sent to you by FCCS/NFS each year showing the amount of interest income you have earned on deposits in your Deposit Accounts. Neither we nor FCCS/NFS intends for this information to be considered legal or tax advice. You should consult with your tax adviser about how the Program affects you.

F. CONFLICTS OF INTEREST

Cambridge and FCCS/NFS do earn fees from the Program Banks based on your participation in the Program, and this fee may be higher to us than if you were invested in other types of money market investments. See *Benefits to Cambridge and others for additional information*.

II. DETAILS

This Disclosure Document contains key information about the Program which is offered by us in conjunction with FCCS/NFS, a New York Stock Exchange and Financial Industry Regulatory Authority ("FINRA") member who we have engaged to provide custody and clearing services to us. Additional terms, conditions, and disclosures applicable to your account held with Cambridge are included in other documents, including, but not limited to, your account application, account agreement, applicable privacy notice, your applicable Cambridge Customer Agreement for your Brokerage Accounts, the retirement account Customer Agreement and any applicable custodial agreement, disclosure statement or the like, the Margin Account Agreement, associated Disclosure of Terms on Credit Transactions, the Margin Disclosure Statement, ("Other Agreements") and are hereby incorporated by reference into this Disclosure Document. In the event of a conflict between the terms of this Disclosure Document and the Other Agreements, solely as it relates to the terms and conditions of this Disclosure Document, the Disclosure Document will control. Please review these Other Agreements for important information governing your Brokerage Account.

A. PROGRAM ELIGIBILITY

The Program is available to individuals, certain non-profit organizations, and to certain fiduciaries and trusts, provided that the beneficiaries are individuals or are otherwise eligible. Brokerage Accounts in the name of business entities including corporations, limited liability companies and partnerships are also eligible for the Program. Certain custodial individual retirement accounts are also eligible for the Program. Eligibility for the Program is subject to the limitations described herein and as determined by Cambridge and/or FCCS/NFS. Please check with your investment professional if you have questions about account eligibility. Qualified Plans are not permitted in the Program.

If we or FCCS/NFS determine that your Brokerage Account is no longer eligible or the Program eligibility requirements change, we may be required to remove the Program as your core account investment vehicle, as that term is defined in Brokerage Account documentation, or any amendments thereto, including but not limited to the Customer Agreement, from the Program. In the event that occurs, you will need to work with your investment professional or Cambridge to identify an alternative core account investment vehicle made available by Cambridge, which may not be an FDIC-insured investment.

B. HOW THE PROGRAM WORKS

Sweep to Program Banks

Through the Program, cash balances in your Brokerage Account (resulting from sales of securities, deposits, dividend and interest payments and other activities) will be automatically deposited or "swept" into interest-bearing Deposit Accounts at one or more Program Banks on the Program Bank List. Once your cash balance has been swept to a Program Bank, it is referred to as your "Program Deposit." Please note that your ability to access the money held at the Bank(s) may be limited, as more fully described herein.

Funds will be swept into Deposit Accounts at a Program Bank up to the Maximum Deposit Amount. A nondiscretionary methodology determines the sequence of allocation based upon a minimum, maximum, and target balance for each Program Bank. In general, Program Banks with smaller percentages of their target balances are allocated deposits before banks with higher percentages of their targets are allocated deposits. There will be instances where certain "Priority Bank(s)" will be receiving preferential ordering in the allocation sequence ahead of other Program Banks. Once the Maximum Deposit Amount at a Program Bank is reached, excess funds will be swept into an alternate Program Bank. Once funds equal to the Maximum Applicable FDIC Deposit Insurance Amount has been reached, additional funds will be swept into the Excess Deposit Bank.

You may not change the Banks on the Program Bank List, the order in which funds are deposited at the Banks on the Program Bank List or the Maximum Deposit Amount at any Bank. You may, however, at any time, designate a Bank as ineligible to receive any funds (otherwise referred to as "opting out" of a Bank) by contacting your investment professional. Any such action will result in any current Program Deposit at such Bank being withdrawn and such funds (along with any new Program Deposits) being deposited into Deposit Accounts in other Banks represented on the Program Bank List on the next business day that a sweep is effected after such "opt out" instructions have been given effect. No new funds will be deposited into any Bank that you have opted out of (i.e., designated as ineligible). If you designate one or more Banks as ineligible to

receive funds, the total amount of FDIC insurance for which your cash balances will be eligible in the Program may be reduced. Participation in this Program requires at least one (1) Bank remaining eligible to receive your deposits. Thus, you may not opt out of all Banks on the Program Bank List.

You are responsible for monitoring the total amount and insurable capacity of deposits both as part of and outside of the Program that you have at each Program Bank for the purpose of determining the FDIC insurance coverage for those deposits. Cambridge may add additional Program Banks or delete Program Banks in its sole discretion and will provide you, as soon as is reasonably practicable, with notice of such changes, in addition to maintaining a current list of Program Banks available at <https://www.joincambridge.com/information-for-investors/investor-resources/cambridge-disclosures/>.

Maximum Deposit Amount

FCCS/NFS, as your agent, will place, regardless of the maximum potential applicable FDIC insurance coverage available, in any one Program Bank up to \$246,500 of your cash balances for an individual account, an agency account and a trust account including a transfer upon or payable on death account, up to \$493,000 in any one Program Bank for a joint account (regardless of the number of owners), up to \$246,500 in any one Program Bank for corporate accounts, and up to \$246,500 in any one Program Bank for an individual retirement account (each such limit referred to hereinafter as the "Maximum Deposit Amount"). If your cash balances in existing Program Deposits held at one Program Bank reach the Maximum Deposit Amount, any excess funds will be swept into Deposit Accounts at one or more of the other Program Banks on the Program Bank List to the extent possible (subject to removal and replacement as further described below).

If the Maximum Applicable FDIC Deposit Insurance Amount has been deposited for you through the Program (taking into consideration any Bank that you have opted out of or excluded), all excess cash balances will be deposited into an Excess Deposit Bank. Funds invested in the Excess Deposit Bank that exceed the Maximum Applicable FDIC Deposit Insurance Amount will not be covered by FDIC Deposit Insurance.

Program Limitations

The amount of your cash balances that are swept into Deposit Accounts may need to be limited if one or more Program Banks stop accepting deposits, become ineligible for the Program as described in this Disclosure Document, or for other exceptional circumstances. The current Program Bank List can be found at <https://www.joincambridge.com/information-for-investors/investor-resources/cambridge-disclosures/>.

C. FDIC INSURANCE COVERAGE IN GENERAL

The Deposit Accounts (including principal and accrued interest) are insured by the FDIC, an independent agency of the U.S. Government, to the predetermined amounts by the FDIC for all deposits held in the same insurable capacity at any one Bank as more fully explained below. Your funds become eligible for deposit insurance immediately upon placement into a Deposit Account at a Bank. Generally, any accounts or deposits that you may maintain directly with a particular Bank, or through any other intermediary, in the same insurable capacity in which the Deposit Accounts are maintained, would be aggregated with the Deposit Accounts for purposes of the limits set by the FDIC.

You are responsible for monitoring the total amount of deposits that you hold with any one Bank, directly or through an intermediary in order to determine the extent of deposit insurance coverage available to you on all of your deposits, including the Deposit Accounts. Cambridge and FCCS/NFS are not responsible for any insured or uninsured portion of the Deposit Accounts or any other deposits.

See "FDIC /SIPC Coverage" below for more detailed information on insurance coverage of Deposit Accounts and Brokerage Accounts.

III. PROGRAM BANKS

General Information About Program Banks

The Program Bank List specifies the Program Banks into which your funds will be deposited. The Program Bank List is available from your investment professional or at <https://www.joincambridge.com/information-for-investors/investor-resources/cambridge-disclosures/>.

The Program Bank List indicates all the Program Banks, including the Excess Deposit Bank, which will be utilized for deposits after the Maximum Deposit Amount has been placed in all the participating Program Banks. You cannot select the Excess Deposit Bank. An Excess Deposit Bank would receive, deposits up to the Maximum Deposit Amount just as any other Program Bank and after deposits of the Maximum Deposit Amount have been made at all of the other participating Banks on the Program Bank List, excess deposits would then be placed in the Excess Deposit Bank. If the Excess Deposit Bank has already received Program Deposits up to the Maximum Deposit Amount, any further deposits in that Bank would generally not be eligible for FDIC insurance coverage.

You should review the Program Bank List carefully. You are responsible for monitoring the total amount of deposits that you have at each Bank for purposes of reviewing deposits which may be eligible for insurance by the FDIC. Your Brokerage Account statement will provide the amount of deposits in each Program Bank. Cambridge and FCCS/NFS do not have any duty to monitor the core account investment vehicle used in your account or make recommendations about, or changes to, the Program that might be beneficial to you. You should also regularly check <https://www.joincambridge.com/information-for-investors/investor-resources/cambridge-disclosures/> for changes to the Program Bank List.

The amount of FDIC insurance in all Program Banks may be limited pursuant to the limitations explained in this Disclosure Document. In any event, all deposits in the Program are subject to all applicable FDIC qualification requirements and to the Program limitations described in this Disclosure Document.

Program Bank List

Please contact your investment professional or go to <https://www.joincambridge.com/information-for-investors/investor-resources/cambridge-disclosures/> for a current Program Bank List.

A. DEPOSIT ACCOUNTS

Your Program Deposits will be deposited in a bank account at one or more Program Banks in the form of one or both of the following account types: (1) an interest-bearing savings deposit account (commonly referred to as a Money Market Deposit Account or "MMDA" account); or (2) an interest-bearing transaction account. You will receive the same interest rate on the funds in either the MMDA account or the transaction account at each Bank.

Your Program Deposits will be deposited at the Program Bank in either a transaction account or an MMDA account maintained by FCCS/NFS for your benefit and the benefit of other customers of Cambridge and/or FCCS/NFS that participate in the Program. If there are insufficient funds in the Deposit Accounts to satisfy a debit in your Brokerage Account, FCCS/NFS will withdraw funds from other available sources as described in this Disclosure Document or in your account opening paperwork.

Federal banking regulations impose certain limitations on transfers from Money Market Deposit Accounts. The Program seeks to rely on certain exemptions and interpretive relief granted by the Federal Reserve Board in connection with these limitations. However, the transactional capabilities of the Brokerage Account are limited and therefore Cambridge may impose limitations on transfers without prior notice. Limits on transfers will not limit the interest rate you earn or the amount of FDIC insurance coverage for which you are eligible.

The cash balances awaiting reinvestment in your Brokerage Account will be automatically swept from your Brokerage Account into your Deposit Accounts on the business day following the day your Brokerage Account reflects a cash balance. For purposes of this Program, business day generally means a day on which Banks participating in this Program are open for business. Available cash balances will not begin to earn interest or be eligible for FDIC insurance until swept into the Deposit Account(s) at the Program Bank(s). As stated

above, to the extent your deposits outside of the Program, in combination with Program Deposits, exceed the maximum applicable FDIC deposit insurance amount at any Program Bank the amounts above such limits will NOT be eligible for FDIC insurance protection. Deposits at Program Banks are not eligible for SIPC coverage.

In rare circumstances, a Bank on the Program Bank List may be unable to accept your funds on a particular day or a Bank may be removed from the Program Bank List and not replaced. Please see the Section entitled "Changes" for options available to you resulting from a change in the Program Bank List. You should regularly check <https://www.joincambridge.com/information-for-investors/investor-resources/cambridge-disclosures/> for changes to the Program Bank List.

If a Bank is unable to accept your funds on a day you have funds to deposit, your funds will be deposited in a different available Program Bank up to the Maximum Deposit Amount. Due to the unavailability of a Bank for any circumstance, funds may be placed at an Excess Deposit Bank and, as indicated above, Program Deposits in excess of the maximum applicable FDIC deposit insurance amount will NOT be eligible for FDIC insurance protection.

B. WITHDRAWALS – ACCESS TO YOUR PROGRAM DEPOSITS

When funds are needed to cover transactions in your Brokerage Account, we will use the following sources, in the order listed and in most cases on the same day the debit is applied, to satisfy the debit: (i) available cash balances, including money added to your Brokerage Account (such as checks, interest, or transaction proceeds) and not yet moved to a Deposit Account; (ii) Program Deposits; and (iii) if you have a margin account, any margin credit available.

Withdrawals from your Deposit Accounts will normally be made on the business day the funds are required for transactions in your Brokerage Account. This process might result in you having an obligation to make us or FCCS/NFS whole for the sum of the debits in your Brokerage Account if there is a problem withdrawing funds from your Deposit Account or you otherwise fail to sufficiently fund your Brokerage Account for the full amount of your daily debits. Please review your customer agreement for your Brokerage Accounts for important information regarding your unsatisfied obligations owed to us and/or FCCS/NFS.

You may access your Program Deposits only through your Brokerage Account. You cannot access or withdraw Program Deposits by contacting a Program Bank directly.

FCCS/NFS will automatically withdraw funds from your Deposit Accounts (up to the amount of your Program Deposit) and move such funds back to your Brokerage Account in order to satisfy any obligation you have to us or FCCS/NFS or to settle a securities transaction or other debit transaction (including, but not limited to, checks, wires, debit card purchases, or margin balances) in any account you have with us or FCCS/NFS. Your Program Deposits are also subject to legal process such as a levy or a garnishment delivered to us or FCCS/NFS to the same extent as if those funds were in your Brokerage Account.

As required by federal banking regulations, each Program Bank has reserved the right to require seven (7) calendar days' prior notice before permitting a withdrawal of any Program Deposits. So long as this right is not exercised, your ability to access funds, including the ability to write checks against your Brokerage Account, should not be impacted. Your interest in a Deposit Account is not transferable. Notwithstanding the foregoing, you will remain obligated for all obligations arising from your Brokerage Account, including, but not limited to, margin balances, settlement of transactions, checks, wires, and debit card purchases.

IV. INTEREST

A. INTEREST RATES

The interest rate for your Deposit Accounts may be obtained from Cambridge, your investment professional or at <https://www.joincambridge.com/information-for-investors/investor-resources/cambridge-disclosures/>. Interest on your Program Deposit is accrued daily, reinvested monthly and is reflected on your Brokerage Account statement as of the last day of the statement period. Interest on your Program Deposit begins to accrue on the business day those funds are received by the Program Bank, which will typically be the business day following the day a free credit balance is generated in your Brokerage Account. Generally, interest will accrue on Deposit Account balances through the day preceding the date of withdrawal from your Deposit

Accounts at the Bank (which will typically be the day on which a withdrawal of funds is made from the Program and credited to your Brokerage Account).

Your balances will earn the same rate of interest regardless of the Program Bank with which your funds are deposited. Your interest rate and tier is based upon your Program Deposits in accordance with the core account investment vehicle in your Brokerage Account(s). The rate of interest paid is tiered based on the value of your Program Deposits ("Eligible Assets"), in each of your Brokerage Accounts. Eligible Assets are currently evaluated on a monthly basis. Interest rates, evaluation period and Eligible Assets may change at any time and may be based on a number of factors including general economic, market and business conditions. Customers with Eligible Assets of a greater value generally will receive higher interest rates on their Program Deposits than customers with Eligible Assets of a lower value. Interest on your Program Deposit will be paid by the Program Banks to which your Program balances have been allocated.

Over any given period, the interest rates on the Program Deposits may be lower than the rate of return on other core account investment vehicles which are non-FDIC insured or on bank account deposits offered outside of the Program. Program Banks do not have a duty to offer the highest rates available or rates that are comparable to Money Funds. By comparison, Money Funds generally seek to achieve the highest rate of return consistent with their investment objectives, which can be found in their prospectuses. The Program should not be viewed as a long-term investment option. If you desire, as part of an investment strategy or otherwise, to maintain a cash position in your account for other than a short period of time and/or are seeking the highest yields currently available in the market for your cash balances, please contact your investment professional to discuss investment options other than the Program that may be better suited to your goals.

You should compare the terms, interest rates, required minimum amounts, and other features of the Program with other alternative investments.

B. INTEREST CREDITED TO YOUR DEPOSIT ACCOUNT

While interest will generally be credited to your Program balance at reinvestment, intra-month interest would be credited to your Brokerage Account if your Program balance is fully liquidated intra-period. Both intra-month interest credits and reinvestments will appear on your Brokerage Account statement to reflect interest accrued in the Program.

Adjustments made to your Brokerage Account, which can be caused by transactions entered for a prior date (e.g., a fee reimbursement or a debit adjustment), may result in an interest adjustment to the interest earned on your Program balance. The interest rate used to credit or debit adjustments may not be made at the current rate, but should reflect interest rates applicable at the time of the event. Interest rates applied to credit adjustments are not expected to be lower but, depending upon the interest rate tiering schedule, could be less than those applied to your balances on the day in which the credit adjustment is made. Interest amounts on adjustments are rounded to the penny and for interest amounts of less than half a cent, you will receive no interest and you also will not be debited.

V. CHANGES

A. CHANGES TO THE PROGRAM BANK LIST

Cambridge and FCCS/NFS reserve the right to make changes to the Program Bank List at any time, including the addition or removal of Program Banks, without prior notification to you, but we will provide you, as soon as is reasonably practicable, with notice of such changes, in addition to maintaining a current list of Program Banks available at <https://www.joincambridge.com/information-for-investors/investor-resources/cambridge-disclosures/>. You may receive notification in advance of any change to the Program, maximum amount of FDIC Insurance coverage for your deposits in the Program, etc. We may also notify you that a change will be forthcoming and direct you to your investment professional or to <https://www.joincambridge.com/information-for-investors/investor-resources/cambridge-disclosures/> for specific information on such change. While we will endeavor to provide advance notice of changes, we may be unable to do so in some cases. We will provide you with notice of such changes as soon as is reasonably practicable. It is your obligation to monitor your accounts, your FDIC coverage and your FDIC insurance eligibility. The current Program Bank List will be posted at <https://www.joincambridge.com/information-for-investors/investor-resources/cambridge-disclosures/> and you should consult this site for the most up-to-date information about Bank eligibility for

your deposits. Other changes to the Program may be posted to this site as well and you should direct any questions you may have to your investment professional. If you do not agree to any changes, you should contact your investment professional to discuss transferring your Brokerage Account to another provider. If you do not take any action in response to a change, you are deemed to consent to the change to the Program.

You have an opportunity to “opt out of” deposits being placed at a Program Bank. As previously stated, “opting out” of a Bank may affect the maximum amount of your deposits eligible for FDIC insurance. Please contact your investment professional to “opt out” of any Bank. We may notify you that changes to the Program Bank List will be forthcoming and direct you to your investment professional or to <https://www.joincambridge.com/information-for-investors/investor-resources/cambridge-disclosures/> for information on such change. Updated Program Bank Lists may also be found at <https://www.joincambridge.com/information-for-investors/investor-resources/cambridge-disclosures/>. It is your obligation to monitor your FDIC coverage and FDIC insurance eligibility.

B. LIMITATIONS ON DEPOSITS

The amount of your cash balances awaiting reinvestment that are swept into a Deposit Account may need to be limited if a Program Bank cannot accept deposits due to exceptional circumstances or if a Program Bank becomes ineligible for the Program, as described in this Disclosure Statement, and the Program Bank is not replaced. In such event, funds not swept into a Program Deposit Account will be invested in the Excess Deposit Bank. If advance notice is not practicable due to the circumstances, you will be notified as soon as is reasonably practicable. Please see the “Changes to Your Core Account Investment Vehicle” below for additional information.

C. CHANGES TO YOUR CORE ACCOUNT INVESTMENT VEHICLE

From time to time, circumstances, such as described in this Disclosure Document, may require that Cambridge or FCCS/NFS modify the Program, which may result in Cambridge changing the core account investment vehicle for your Brokerage Account. If Cambridge makes a change to the core account investment vehicle in your Brokerage Account, there is no guarantee that such change will provide an equal or greater rate of return to you during any given period, and the rate of return may be lower.

Generally, you will receive notification in advance of any such change. If advance notice of a Program modification is not practicable due to the circumstances, you will be notified as soon as is reasonably practicable of any change in the Program that results in changing the core account investment vehicle for your Brokerage Account. As detailed in certain advance notifications, unless you object within the time period specified, we will transfer the balances from your prior core account investment vehicle into a new core account investment vehicle. If you object to the core account investment vehicle that we select, or, if at any time the Program does not meet your needs, including, but not limited to, due to any change in the Program, your investment professional can assist you in transferring your Brokerage Account to another provider.

If we need to change the core account investment vehicle available for your Brokerage Account under the circumstances set forth in this Disclosure Document, or for other circumstances as may be necessary, the replacement core account investment vehicle provided may receive a lower effective rate of return than is available on funds swept into a Deposit Account. We will attempt to make an alternative core account investment vehicle available for your Brokerage Account that provides a rate of return that is equal to or better than the rate of return you were receiving on your Program Deposit. We, however, cannot guarantee any rate of return, including a return that is equal to or greater than your current return. We will notify you, as soon as is reasonably practicable, if your cash balance is deposited into a core account investment vehicle other than the Program and additionally, if you will receive a lower effective rate of return.

D. NOTICES

All notices described in this Disclosure Document may be made by means of a letter, an entry on or insert with your Brokerage Account statement or by electronic or other form of notification if available to you by us, which may include but is not limited to, electronic alerts or email.

VI. ACCOUNT INFORMATION

A. STATEMENTS

The statement for your Brokerage Account will: (i) indicate your beginning and ending Program balance as of the last business day of each monthly statement period; (ii) detail sweeps to and from the Program during the statement period; (iii) reflect interest credited to your Brokerage Account; and (iv) reflect your deposit at each Bank upon interest reinvestment. This information is provided in lieu of separate confirmations for each sweep to and from any Program Deposit Account during the statement period.

Because you are responsible for monitoring the total amount of your deposits at a Program Bank (including any Program Deposit held at such Program Bank and all deposits you may make at a Program Bank outside the Program), in order to determine the extent of FDIC insurance coverage available, you should carefully review your Brokerage Account statements to determine if a change in Program Banks has an impact on your deposit insurance coverage.

B. TAX INFORMATION

For most clients, with non-retirement account types, interest earned on deposits in the Deposit Accounts will be taxed as ordinary income in the year it is received. In those cases, a Form 1099 will be sent to you by FCCS/NFS each year showing the amount of aggregate interest income you have earned on deposits in your Deposit Accounts. You should consult with your tax advisor about how the Program affects you.

VII. INFORMATION ABOUT YOUR RELATIONSHIP WITH CAMBRIDGE AND THE PROGRAM BANKS

A. RELATIONSHIP WITH CAMBRIDGE AND THE PROGRAM BANKS

As your agent for the Program, FCCS/NFS is establishing the Deposit Accounts at each Bank, depositing funds into the Deposit Accounts, withdrawing funds from Deposit Accounts and transferring funds between Deposit Accounts. Deposit Account ownership will be evidenced by a book entry on the account records of each Bank showing the Deposit Account as an agency account held by FCCS/NFS for the benefit of you and other customers and by records maintained by FCCS/NFS as your agent and custodian. No evidence of ownership, such as a passbook or certificate, will be issued to you. Your Brokerage Account statements will reflect the balances in your Deposit Accounts at the Banks. You should retain the Brokerage Account statements for your records. Once established on your behalf, the Deposit Accounts are obligations solely of the Banks and not Cambridge, FCCS/NFS or any other entity. You may at any time obtain information about your Deposit Accounts by contacting your investment professional.

If either you, Cambridge, or FCCS/NFS terminate your use of the Program as a core account investment vehicle, or if one or more Program Banks with which you have deposits in the Program cease to participate in the Program, you may establish a direct depository relationship with each such Bank, subject to its rules with respect to maintaining Deposit Accounts.

ESTABLISHING A DIRECT DEPOSITORY RELATIONSHIP IN YOUR NAME AT A BANK WILL SEPARATE THE DEPOSIT ACCOUNTS FROM YOUR BROKERAGE ACCOUNT. IF YOU ESTABLISH A DIRECT DEPOSITORY RELATIONSHIP WITH A BANK, THE DEPOSIT ACCOUNTS WILL NO LONGER BE PART OF YOUR BROKERAGE ACCOUNT AND CAMBRIDGE WILL HAVE NO FURTHER RESPONSIBILITY CONCERNING THE DEPOSIT ACCOUNTS.

B. BENEFITS TO CAMBRIDGE AND OTHERS

The Program may create financial benefits for Cambridge, FCCS/NFS, and the Program Banks. We will disclose any affiliation between any Program Bank and us, or our affiliates, on our list of Program Banks maintained at <https://www.joincambridge.com/information-for-investors/investor-resources/cambridge-disclosures/>.

The interest rate payable to you is based on the amounts paid by the Program Banks to us less a fee retained by us, which may be up to FF + 0.5% on an annualized basis as applied across all Deposit Accounts. In our discretion, we may reduce our fee and may vary the amount of the reductions between clients. The fee may vary from Bank to Bank. The amount of fee received will affect the interest rate paid on your Deposit Accounts. No part of these fees is paid to your investment professional. We will pay a fee to FCCS/NFS an asset based charge per account not to exceed 0.70%. We reserve the right to modify the fees we receive from Program

Banks. If the fee exceeds FF + 0.5% you will receive notification of such change. In addition to Cambridge's fee, other service providers with respect to the Program will receive fees from each Bank (collectively, with the fees paid to us, FCCS/NFS, and Total Bank Solutions LLC, "Program Fees"). In addition to the Program Fees referenced above, your Brokerage Account generally may be charged additional fees that apply to securities accounts maintained by us.

The Program Banks use Program Deposits to fund current and new lending and for investment activities. The Program Banks earn net income from the difference between the interest they pay on Program Deposits and the fees paid to us and the income they earn on loans, investments and other assets. As noted above, the Program Banks may pay rates of interest on Program Deposits that are lower than prevailing market interest rates that may have been paid on accounts otherwise opened directly with such Program Bank. Program Banks do not have a duty to provide the highest rates available and may instead seek to pay a low rate. Lower rates may be more financially beneficial to a Program Bank. There is no necessary linkage between bank rates of interest and the highest rates available in the market, including any Money Fund rates. By comparison, a Money Fund generally seeks to achieve the highest rate of return (less fees and expenses) consistent with the Money Fund's investment objective, which can be found in the fund's prospectus.

The revenue generated by us through the Program may be greater than revenues generated by sweep options at other brokerage firms, and may be greater than other core account investment vehicles currently available to you or possible core account investment vehicles that we have used in the past or may consider using in the future. In addition, FCCS/NFS, our clearing agent, will receive fees for record keeping and other services with respect to amounts invested in the Program. FCCS/NFS may receive more revenue with respect to amounts in the Program than with respect to other sweep products.

As a result of the fees and benefits described above, the Program may be significantly more profitable to us than other available sweep options, if any. We and/or FCCS/NFS may also benefit from the possession and temporary investment of cash balances prior to the deposit of such balances in the Program.

C. SHARING OF YOUR INFORMATION WITH BANKS

FCCS/NFS may provide the Banks used in the Program with information related to the Customers and any individual authorized by a Customer to trade in his/her Brokerage Account ("Authorized Individual") pursuant to agreement between FCCS/NFS and the Banks. If provided, the information could consist of the name, partial address information (including state code, or, if applicable, foreign country code), a substitute identification number used to link accounts with the same taxpayer identification number and any other information as necessary or requested by the Banks.

D. QUESTIONS/COMMENTS REGARDING THIS PROGRAM

You may contact your investment professional or access <https://www.joincambridge.com/information-for-investors/investor-resources/cambridge-disclosures/> to determine the current interest rate on the Deposit Accounts for each Interest Rate Tier.

The material in this document is intended for informational purposes. If there is any conflict between the descriptions in this document and the terms of your account agreement, solely as it relates to the subject matter of this Disclosure Document, this document will control.

VIII. FDIC/SIPC COVERAGE

A. DEPOSIT INSURANCE

The Deposit Accounts are eligible for insurance by the FDIC, an independent agency of the U.S. Government, up to a maximum amount of \$250,000 (including principal and accrued interest) when aggregated with all other deposits held by you in the same insurable capacity at each Bank (e.g., individual, joint, etc.) and \$250,000 for certain individual retirement accounts, in each case such account may be insured for such greater amount as may be approved by the FDIC from time to time. Your funds become eligible for deposit insurance immediately when a Bank accepts your deposits into Deposit Accounts. To the extent that your deposits at a Program Bank in one ownership capacity, either through the Program or otherwise, exceed the FDIC insurance limits applicable to that ownership capacity, deposits in excess of the limits will not be insured.

In the event a Bank fails, the Deposit Accounts at that Bank are insured up to the \$250,000 limit, or such other limit, as applicable, for principal and interest accrued to the day the Bank is closed.

Neither we nor FCCS/NFS is responsible for any insured or uninsured portion of a Deposit Account. You are responsible for monitoring the total amount of deposits that you have with each Bank in order to determine the extent of deposit insurance coverage available to you. Depending on the amount of deposits that you have at a Bank apart from the Deposit Accounts, you may wish to direct that the Bank be excluded from the Program Bank List applicable to your Brokerage Account.

Under certain circumstances, if you become the owner of deposits at a Bank because another depositor dies, beginning six (6) months after the death of the depositor the FDIC will aggregate those deposits for purposes of the \$250,000 limit or such other applicable limit, as applicable, with any other deposits that you own in the same insurable capacity at the Bank. Subject to Program limits, examples of accounts that may be subject to this FDIC policy include joint accounts, and certain trust accounts including transfer upon or payable on death accounts. The FDIC provides the six-month "grace period" to permit you to restructure your deposits to obtain the maximum amount of deposit insurance for which you are eligible.

In the event that federal deposit insurance payments become necessary, payments of principal plus unpaid and accrued interest will be made to you through FCCS/NFS. There is no specific time period during which the FDIC must make insurance payments available. Furthermore, you may be required to provide certain documentation to the FDIC and FCCS/NFS before insurance payments are made. For example, if you hold deposits as trustee or in other fiduciary capacities for beneficiaries, you may be required to furnish affidavits and provide indemnities regarding an insurance payment.

If your Deposit Accounts or other deposits at the Bank are assumed by another depository institution pursuant to a merger or consolidation, such deposits will continue to be separately insured from the deposits that you might have established with the acquirer until (i) the maturity date of the certificates of deposit or other time deposits which were assumed, or (ii) with respect to deposits which are not time deposits, the expiration of a six month period from the date of the acquisition. Thereafter, any assumed deposits will be aggregated with your existing deposits with the acquirer held in the same capacity for purposes of federal deposit insurance. Any deposit opened at the acquirer after the acquisition will be aggregated with deposits established with the acquirer for purposes of federal deposit insurance.

The information contained in this section regarding FDIC deposit insurance and the applicable limits are subject to the limitations described throughout this document and as specifically noted in the section entitled "Maximum Deposit Amount", "Program Limitations", and "How the Program Works" of this document.

The application of a \$250,000 federal deposit insurance limitation is illustrated by several common factual situations discussed below.

B. INFORMATION ON DEPOSIT INSURANCE FOR SPECIFIC TYPES OF ACCOUNTS

Individual Customer and Agency Accounts

Funds owned by an individual and held in an account in the name of the individual or an agent or nominee of such individual (such as the Deposit Accounts held through FCCS/NFS) are not treated as owned by the agent or nominee, but are added to other deposits of such individual held in the same capacity (including funds held in a sole proprietorship) and are insured up to \$250,000 in the aggregate. Please refer to the "Maximum Deposit Amount" and "Program Limitations" sections under "How the Program Works" for Program specific limitations.

Custodial Accounts

Funds in accounts held by a custodian (for example, under the Uniform Gifts to Minors Act or the Uniform Transfers to Minors Act) are not treated as owned by the custodian, but are added to other deposits of the minor or other beneficiary held in the same insurable capacity and are insured up to \$250,000 in the aggregate. Please refer to the "Maximum Deposit Amount" and "Program Limitations" sections under "How the Program Works" for Program specific limitations.

Joint Accounts

An individual's interest in funds in all qualified accounts held under any form of joint ownership valid under applicable state law may be insured up to \$250,000 in the aggregate, separately, and in addition to the \$250,000 allowed on other deposits individually owned by any of the co-owners of such accounts (hereinafter referred to as a "Joint Account"). For example, a Joint Account owned by two persons would be eligible for insurance coverage of up to \$500,000 (\$250,000 for each person), subject to aggregation with each owner's interests in other Joint Accounts at the same depository institution. Joint Accounts will be "qualified" and insured separately from individually owned accounts only if each of the co-owners is an individual person and has a right of withdrawal on the same basis as the other co-owners. Nonqualified joint accounts are not insured separately and are added to individual accounts for the purposes of the individual maximum coverage of \$250,000 in the aggregate per Bank. Please refer to the "Maximum Deposit Amount" and "Program Limitations" sections under "How the Program Works" for Program specific limitations.

Irrevocable Trust Accounts

Program balances held in Brokerage Accounts with trust registrations are allocated at the account level and not at the trustee level; therefore only balances held in an Excess Bank would potentially be eligible for FDIC insurance coverage at the trustee level. FCCS/NFS cannot guarantee that FDIC coverage will be applied at the trustee level, as it is dependent upon the information available on the registration and what the FDIC would require from FCCS/NFS. Funds in an account established pursuant to one or more irrevocable trust agreements created by the same grantor (as determined under applicable state law) are generally insured for up to \$250,000 for the interest of each beneficiary provided that the beneficiary's interest in the account is non-contingent (i.e., capable of determination without evaluation of contingencies). The deposit insurance of each beneficiary's interest is separate from the coverage provided for other accounts maintained by the beneficiary, the grantor, the trustee or other beneficiaries. The interest of a beneficiary in irrevocable trust accounts at a depository institution created by the same grantor will be aggregated and insured up to \$250,000. Please refer to the "Maximum Deposit Amount" and "Program Limitations" sections under "How the Program Works" for Program specific limitations.

Revocable Trust Accounts

Program balances held in Brokerage Accounts with trust registrations are allocated at the account level and not at the trustee level; therefore only balances held in an Excess Bank would potentially be eligible for FDIC insurance coverage at the trustee level. FCCS/NFS cannot guarantee that FDIC coverage will be applied at the trustee level, as it is dependent upon the information available on the registration and what the FDIC would require from FCCS/NFS. Revocable trusts include informal revocable trust accounts where the owner has designated the names of beneficiaries to whom the funds in the account will pass upon the owner's death, referred to as transfer upon or payable on death accounts and formal revocable trusts usually established for estate planning purposes (referred to as living or family trusts). Revocable trusts are generally insured as to each named beneficiary separately from another account of the owner or the beneficiary provided (i) the beneficiaries are natural persons and (ii) FCCS/NFS's account records disclose the names of all trust beneficiaries. For each trust owner with combined revocable trust account deposits of \$1.25 million or less at a Bank the maximum coverage will be determined by multiplying the number of different beneficiaries by \$250,000. If an owner has in excess of combined revocable trust account deposits of \$1.25 million at a Bank and has named more than five beneficiaries there is a limitation on the maximum coverage. Please refer to the "Maximum Deposit Amount" and "Program Limitations" sections under "How the Program Works" for Program specific limitations.

Business (Corporation, Partnership, and Unincorporated Association) Accounts

Funds in accounts registered to business organizations, including corporations, partnerships, and unincorporated associations (including for-profit and not-for-profit organizations), are added together and insured up to \$250,000 in the aggregate. Such deposits are insured separately from the personal deposits of the organization's owners, stockholders, partners or members. To qualify for insurance coverage under this ownership category, a corporation, partnership, or unincorporated association must be engaged in an "independent activity," meaning that the entity is operated primarily for some purpose other than to increase deposit insurance coverage. All deposits owned by a corporation, partnership, or unincorporated

association at the same bank are combined and insured up to \$250,000. Multiple accounts owned by the same corporation, partnership, or unincorporated association (including accounts owned by operating divisions or business units that are not separately incorporated) but designated for different purposes are not separately insured. For example, if a corporation has both an operating account and a reserve account at the same bank, the FDIC would add both accounts together and insure the aggregated deposits up to \$250,000.

C. DEPOSIT INSURANCE: RETIREMENT PLANS AND ACCOUNTS

Individual Retirement Accounts

Individual retirement accounts as described in the Internal Revenue Code Sections 408(a) and 408A are insured up to \$250,000 per depositor. Each person's deposits in self-directed retirement accounts at the same Bank are added together and insured up to \$250,000, separately from any retirement accounts that are not self-directed and any non-retirement accounts. Please refer to the "Maximum Deposit Amount" and "Program Limitations" sections under "How the Program Works" for Program specific limitations.

D. QUESTIONS ABOUT FDIC DEPOSIT INSURANCE COVERAGE

If you have questions about basic FDIC insurance coverage, please contact your investment professional. You may wish to seek advice from your own attorney concerning FDIC insurance coverage of deposits held in more than one capacity. You may also obtain information by contacting the FDIC, Deposit Insurance Outreach, Division of Supervision and Consumer Affairs, by letter (550 17th Street, N.W., Washington, D.C. 20429), by phone (877-275-3342 or 800-925-4618 (TDD)), by visiting the FDIC website at www.fdic.gov/deposit/index.html, or by email using the FDIC's Online Customer Assistance Form available on its website.

E. SIPC COVERAGE

The only balance in your Brokerage Account that is eligible for FDIC insurance is a Program Deposit held by a Program Bank. The cash balance awaiting reinvestment in your Brokerage Account that is held by FCCS/NFS and/or us is not FDIC insured, but is covered by SIPC. This includes cash balances placed in your Brokerage Account that have not yet been received by the Program Bank or which have been swept from the Program Bank back to your Brokerage Account. SIPC currently protects these funds and securities.
